

PRODUCT HIGHLIGHTS

Discreet, screw-on mounting module

For permanent installations

Detachable phantom power adapter

Eliminates time-consuming soldering work

Special mounting accessories included

For quick and hassle-free installation

Extremely rugged gooseneck construction

For an extra-long life of reliability and stability

Highly reliable contacts for capsule modules

Prevent contact problems and ensure extra-long life

Proven reliability

The DAM Series GN gooseneck modules for permanent screw-on installation are available in three different lengths: 15cm (6in), 30cm (12in), 50cm (20in). Except for the GN30 OC with unterminated cable ends, all come with an in-line XLR phantom power adapter with integrated 250Hz bass rolloff, LED ring and ON/OFF jumper. A mini XLR connector eliminates the need for large holes in the furniture or time-consuming soldering work during installation. The gooseneck module fits all DAM Series capsules, CK31, CK32, CK33, CK47 and CK80, via highly reliable contacts.

SPECIFICATIONS

General Information

Manufacturer	Harman International Industries, Inc
Manufacturer Part Number	2765H00080
Manufacturer Website Address	http://www.harman.com
Brand Name	AKG
Product Series	GN
Product Model	GN50
Product Name	GN50 50cm (20in) High-Performance Modular Gooseneck Module - DAM Series
Product Type	Microphone Gooseneck

Physical Characteristics

Color	Black
