

## Technical data "HSM SECURIO AF300 - 0.78 x 11mm"

|                                                 |                                |
|-------------------------------------------------|--------------------------------|
| Order number:                                   | 2095111                        |
| EAN:                                            | 4026631050654                  |
| Field of application:                           | office                         |
| Cutting type:                                   | particle cut                   |
| Cutting width:                                  | 0,78 mm                        |
| Particle length:                                | 11 mm                          |
| Security level (DIN 66399):                     | F-3 P-6                        |
| Cutting capacity in sheets 80g/m <sup>2</sup> : | 6                              |
| Cutting speed:                                  | 65 mm/s                        |
| Throughput capacity paper:                      | 12                             |
| Power consumption:                              | 500 W                          |
| Voltage / Frequency:                            | 230 V / 50 Hz                  |
| Intake width:                                   | 240 mm                         |
| Container volume / collecting:                  | 34 l                           |
| Noise level (idle operation):                   | ca. 56dB(A)                    |
| Width x Depth x Height:                         | 395 x 435 x 837 mm             |
| Weight:                                         | 19,327 kg                      |
| Colour:                                         | white                          |
| Shredder material:                              | Paper, Staples and paper clips |
