

Operating System

Available with Windows 10 Home – get the best combination of Windows features you know and new improvements you'll love.

Lead the pack

A surprisingly slim and sleeker-than-ever design. Premium metal finish. An outstanding dual-fan cooling system, so your system stays cool as the action heats up. It's built to be a showoff.

See what your game is capable of with the powerhouse NVIDIA® GeForce RTX™ 20-series and GeForce® GTX 16-series graphics with up to 16GB GDDR5 dedicated memory. Fierce, flicker-free visuals come alive with optional 144Hz or G-SYNC displays. Plus viewing all of the action on a FHD display with a three-sided, narrow bezel lets you get deeper into the mission. With the new NVIDIA® GeForce RTX® graphics cards, your game graphics are even more realistic and immersive. The NVIDIA Turing™ GPU architecture and the groundbreaking NVIDIA RTX™ platform deliver fast, realistic, AI-enhanced gaming experiences. Ray tracing simulates the true behavior of light for real-time, cinematic-quality rendering to the most visually intense games. And a combination of advanced VR rendering, real-time ray tracing, and AI to bring you a whole new level of VR realism.

Focus on the action

Light them up: Customize your gameplay with the optional backlit keyboard to match your fighting style.

Feel the rumble: Hear every enemy approach with built-in, dual speakers and the Nahimic Sound Center for intuitive audio and voice controls and in-game visual sound tracking.

Killer™ Networking: Killer™ E2500 Gigabit Ethernet Controller is designed to deliver incredible throughput and lower latency gameplay, heavily reducing any lagging or jitter while playing. And with SmartByte, you can choose your video content prioritization.

Unlock unrivaled speed

Kick performance into high gear: Engineered with up to 9th Gen Intel® Core™ i9 processors and optional Intel Optane™, the Dell G7 15 possesses powerful performance for uninterrupted gameplay.

No shortage of storage: Experience faster load times and a quieter system thanks to multiple storage options including dual drives with SSD options, plus M.2 NVMe PCIe.

Battle ready: Stay in the fight with an improved and stable WiFi connection due to optional 2x2 WiFi antennas.

One port does it all: Enjoy the benefit of multiple port options in just one, with the Thunderbolt™ 3 port. It features a USB 3.1 Gen 2 Type-C™ port, capable of 40Gbps transfer speeds, or a DisplayPort v1.2 output enabling one 5K or two 4K displays.

Alienware Command Center on Dell G Series

Game better: We've crafted innovative software specifically designed to improve your gaming experience, fine-tune all your game and systems settings, solve problems and manage time.

Calibrate your controls: Now you have control over your hardware and software environments. Not only can you tailor the hardware for each and every game you play, you can personalize the space and setup to make your software look and feel precisely the way you want it, without interfering with your gameplay or other activities.

Ace library science: The easy-to-use interface links all your various system settings with a gaming library, making it simple to access gaming information. No matter what the source, the command center gives you easy access to your games and the ability to fine-tune settings for each one. Create a unique game profile and it stays just how you want it, no matter where you launch.

Ports & Slots

1. 2-in-1 SD/MicroMedia Card | 2. USB 3.1 | 3. Power | 4. HDMI 2.0 | 5. USB 3.1 | 6. Mini DisplayPort* | 7. RJ-45 Killer Networks E2500V2 Gigabit Ethernet Port | 8. Wedge Lock Slot | 9. USB-C DisplayPort/USB-C Thunderbolt* | 10. USB 3.1 | 11. Headphone Jack

Plan of attack

Power up: Quick-charge your system with the 60Whr battery or the optional 90Whr battery.*

Sleek setup: The G7 15 helps make sure your battle station stays polished by putting critical ports in the back of the system, so cords and distractions stay out of the way.

Dimensions & Weight

1. Height: 19.9mm (0.78) 2. Width: 364.3mm (14.37) 3. Depth: 273.4mm (10.8) | Starting weight : 2.498 kg (5.5 lb) [*](#)
