Product description

An entry-level laptop shouldn't slow you down. That's why we engineered the IdeaPad 3 with cutting-edge 10th Gen Intel® Core™ processing as well as powerful memory and storage options. Thoughtful details like the physical webcam security shutter make this a great choice for everyday use.

- Dolby Audio delivers crystal-clear sound whether you're watching a video, streaming music, or video-chatting.
- A narrow bezel on 2 sides makes for a clean design, and larger display giving you more viewing area and less clutter.
- Keep your privacy intact with a physical shutter for your webcam bringing you peace of mind when you need it.
- Swap effortlessly between 'Max mode' where your CPU takes charge and provides the quickest performance and 'battery saving mode' for better battery performance - all with a simple keystroke.
