

## General

### Model

Rapoo VH160

### Type

Gaming Headphone

### Part No

VH160

### Warranty

1 year

### Country Of Origin

Hong Kong

### Made in/ Assemble

China

### Connectivity

#### Connectivity

Wired

### Technical Information

#### Frequency Response (Hz - kHz)

20Hz-20kHz

#### Sensitivity

103dB+-3dB (Headphone), -38dB+/-2dB (Microphone)

#### Impedance (ohm)

32ohm (Headphone), 2.2kohm (Microphone)

### Physical Description

#### Microphone

Yes

#### Weight (Kg)

0.34Kg

#### Color

Black

### Additional Info

#### Brand

Rapoo

#### Lighting Effect

Yes

#### Driver Unit

50mm

#### Plug Type

USB

### Feature

Cool LED backlight Virtual 7.1 channel audio output brings stunning surround sound experience, ENC single microphone de-noising function, clear and stable call, Entry-level gaming headset, with powerful functions, excellent work, suitable for those who have high-quality requirements

### Specialty
