

# DMInteract<sup>®</sup>

"Illuminate Every Moment,  
Elevate Every Experience - Your  
Cinematic Journey Starts Here!"

Introducing the DMInteract DM-691 projector, a cutting-edge entertainment solution that combines stunning visuals with advanced features. Immerse yourself in high-definition content with its 1920x1080 native resolution, 4000 Lumens brightness, and 5000:1 contrast ratio. Enjoy hassle-free setup with auto focus and keystone correction, while the versatile aspect ratios and flexible projection range cater to various preferences and room sizes.

With dual HDMI and USB connectivity, this projector accommodates multiple devices seamlessly. Its dual 7W speakers, Dolby Audio support, and Bluetooth 5.0 deliver impressive audio quality, complementing the vivid visuals. The DM-691's Android System ensures easy connectivity to phones, PCs, and streaming services, making it a user-friendly and versatile entertainment hub.

Compact yet powerful, the DMInteract DM-691 is not only a visual delight but also a feature-rich companion for your home entertainment needs.
