C2 Ultra

65"-300" Triple Laser Smart Mini Projector
Model-C2 Ultra

Introducing the Hisense C2 Ultra Smart Mini Projector, where performance meets convenience. With an adjustable projection size of 65"-300" in stunning 4K UHD, it transforms any space into a cinematic experience. Enjoy effortless 360° horizontal and 135° vertical adjustment with the Hisense Gimbal Design for flexible viewing. Gamers will love the C2 Ultra mini projector, specifically designed for Xbox, offering an impressive refresh rate and ensuring fluid motion. Boasting 3000 ANSI Lumens, it delivers vivid, colourful images, while 4K AI upscaling and the Triple Laser Light Source ensure sharp visuals and immersive depth.

65"-300" Adjustable Projection Size

Transform your movie nights and gaming sessions with an incredible projection size ranging from 65" to a massive 300" in stunning 4K UHD resolution.

Designed for Xbox

Take your gaming to the next level with the C2 Ultra, designed specifically for Xbox. It offers an impressive refresh rate of up to HSR 240, ensuring fluid motion and sharp visuals for an immersive experience. The game mode detects when your gaming console is on and automatically adjusts the projector settings, delivering seamless, lag-free gameplay.

Effortless 360° Horizontal & 135° Vertical Projection with Hisense Gimbal Design

Easily adjust the projector to the perfect viewing angle using a gimbal that offers 360° horizontal and 135° vertical movement. Seamlessly project movies on both screens and ceilings for a versatile viewing experience.

3000 ANSI Lumens Brightness

Transform your home entertainment with the Hisense 4K C2 Ultra's 3000 ANSI Lumens brightness. This feature delivers a bright, vivid, and colourful viewing experience, making every movie night, gaming session, and TV show truly unforgettable.

4K

View Your Content at its Best with 4K & 4K Upscaling

With 4K AI upscaling, lower-resolution content is elevated to deliver a stunning viewing experience with enhanced sharpness and detail. It's remarkable how much more each pixel can achieve.

Optical Zoom

Adjust the zoom without losing any sharpness or clarity. The 1.67 flexible optical zoom ensures the image stays in 4K, no matter how much you zoom in or out.

Triple Laser Light Source

Experience highly precise and vibrant colours with the advanced C2 Ultra's Laser design. Equipped with 28 laser chips, each delivering the power equivalent to 4 LEDs, this technology produces exceptional depth and fine detail for a truly immersive viewing experience.

IMAX Enhanced & Dolby Vision

Be fully immersed in your viewing experience. The C2 Ultra supports IMAX Enhanced and Dolby Vision®, offering vibrant colour, sharp images, and improved contrast for stunning clarity and detail. Enjoy cinema-quality visuals, just as the filmmakers intended.
