

Precision driven **sound innovation**

Clear minds thrive
in a quite environment.

Various models for Office

At Sonichive, our range of silence booths and pods caters to various workplace needs. The Solo Silence Booth offers a private, sound-insulated space for confidential calls. The Duo Silence Booth is perfect for critical discussions or quiet chats with colleagues. The Quartet Silence Booth supports both quick team huddles and extended discussions, enhancing productivity and collaboration. The Hexa Silence Booth is designed for spontaneous discussions and team meetings, fostering teamwork and innovation.

Unmatched Durability in Silence Pods

Made with high-grade materials like reinforced steel and impact-resistant panels. Their resilient construction ensures long-lasting performance.
