

Latitude 15 3000 Series Model 3550

Business-class computing starts here.

Thinner and lighter than the previous generation and backed by enterprise-class support, the Latitude 15 3000 Series offers the essential features of a business-class laptop, providing the right balance of mobility, productivity, and affordability.

End users will stay productive with the latest 5th generation Intel® Core™ processors, up to 1TB of storage, option for Full HD or touch display and a spill resistant keyboard with optional backlit. And IT will value the security, manageability, and outstanding reliability of Latitude, including 24/7 access to support with optional Dell ProSupport™.

It's also well-equipped with a portfolio of accessories for on-the-go or at-the-desk productivity when essential.

¹ Offering may vary by country and by configuration

² A 64-bit operating system is required to support 4GB or more of system memory

³ Limited Hardware Warranty: For copy of Limited Hardware Warranty, write Dell USA LP, Attn: Warranties, One Dell Way, Round Rock, TX 78682 or see www.dell.com/warranty

⁴ GB means 1 billion bytes and TB equals 1 trillion bytes; actual capacity varies with preloaded material and operating environment and will be less.

⁵ Onsite Service after Remote Diagnosis: Remote Diagnosis is determination by online/phone technician of cause of issue; may involve customer access to inside of system and multiple or extended sessions. If issue is covered by Limited Hardware Warranty (www.dell.com/warranty) and not resolved remotely, technician and/or part will be dispatched, usually within 1 business day following completion of Remote Diagnosis. Availability varies. Other conditions apply.

⁶ Dell Services: Availability and terms of Dell Services vary by region. For more information, visit www.dell.com/servicesdescriptions.

⁷ Weights vary depending on configuration and manufacturing variability.
