

THZ151EU | Targus Vuscape™ Protective Cover & Stand for Samsung® Galaxy Tab™ 1 & 2

The Targus VuScape™ Protective Cover/Stand for Samsung® Galaxy Tab™ 10.1" features a form-fitted design that holds the Galaxy Tab in place and conveniently converts into a stand with three different viewing angles. The lowest angle is ideal for typing directly on the screen. The VuScape Cover/Stand is ultra-thin and lightweight, making it easy to carry inside of a backpack, briefcase or bag. The case also provides full access to all functions so the Galaxy Tab is fully operational without leaving the case.

The soft interior lining adds color and protects the device against scratches. When not in use, the case conveniently snaps closed like a portfolio to protect the screen. The Targus VuScape Cover/Stand combines a sturdy viewing stand with an ultra-thin design for easy travel.

Super soft "suede" effect interior that protects your Galaxy Tab from scratches

3 viewing positions

Thin and light with high protection performance

Hard-shell construction provides excellent protection

Leather-like skin is soft to touch and easy to grip

Multi-position viewing
