

Trackman® Marble®

A trackball with all-day comfort for either hand.

All-day comfort

Whichever hand you use, this mouse keeps you comfortable and supported all day—and stays in one place.

Back and forth

Convenient Forward and Backward buttons help you get around the Web with ease.

Marble marvel

Fast, accurate control is right at your fingertip with smooth-tracking Marble® optical technology.

Trackman® Marble®

You'll enjoy all-day comfort with this ambidextrous trackball with convenient button controls.

Ambidextrous trackball design

A trackball design with a long, broad palm area and gentle curves keeps your hand comfortable and supported all day—whether you use your right or left hand.

Stable base

Your hand stays comfortable all day long with this stay-put design. Plus, it saves you space.

Convenient button controls

Buttons let you easily move forward and backward when you're surfing the Web.

Fingertip-based control

You'll enjoy fast, accurate cursor movement with just a move of your finger.

Marble® optical technology

Our patented technology gives you smooth tracking on almost any surface so you can be productive wherever you work.*

** Does not work on clear glass or mirrors.*
