HP t310 All-in-One Zero Client

The all-in-one for virtual workspaces.

Maximize available workspace while saving time and money with the PCoIP-optimized HP t310 AiO Thin Client that connects users to your VMware networks in no time.

Small size, big performance.
- Enjoy a seamless, high-performance VMware desktop driven by Tera 2 PCoIP that delivers low display latency and fast response time, even for your most demanding applications.

Keep it simple.
- Make it easy to deploy, manage, and maintain your install base with HP Device Manager, a software tool available exclusively for HP Thin Clients.

Be secure.
- Keep all data in the data center with a thin client that transfers screens to the local user for an ultra-high level of security and easy client management. Reduce IT costs and simplify deployment with centralized support and management.

Rest easy with a smart investment.
- Be future-ready with a 36-month long lifecycle that supports extended deployments, get global support from a standard three-year limited warranty, and help save money with an energy-efficient design that carries globally recognized eco-certifications.

- Get a fanless design and quiet thermals that support mass installments in small spaces plus a 23-inch diagonal screen that puts all your work front and center.
- Be ready to go out of the box with an included keyboard and mouse.
- Customize your all-in-one with an array of inputs that support external peripherals, a second display, Ethernet, and audiovisual interactivity.
- Accelerate your hardware performance with Tera 2 PCoIP and the Teradici Tera 2321 processor.
- Help protect your data and software by leaving it on the server, and your device with an optional HP Cable Lock.[1]
- Deploy the same configuration around the world with a Global Series SKU that ensures the same product everywhere you do business.
- Help ensure consistent staggered deployments with a 36-month lifecycle.
- Align with your privacy and security mandates and empower your staff to work with patients across your environment.
