

# HP 350 G2 Notebook PC

Stay connected with affordably priced essential technologies that help keep you productive in or out of the office. Durable design helps protect your PC during mobile use and a full array of ports lets you easily connect to your devices.

HP recommends Windows.

- Windows 8.1<sup>1</sup>
- Screen Size: 15.6" diagonal

## Designed for professionals

- The 350 Notebook PC is built with reliability in mind – inside and out – to meet the needs of professionals on the move.

## Powered for business

- Gain the tools you need to stay in the driver's seat at work with Windows 8.1<sup>1</sup> and your choice of 4th or 5th Gen Intel® Core™ processors;<sup>2</sup> you're ready for work.

## Essential security

- Help protect your PC and your data with optional TPM,<sup>3</sup> an optional HP Fingerprint Reader,<sup>4</sup> and a security lock slot.

## Cut the cords

- Connect with colleagues with WLAN<sup>5</sup> and Bluetooth®<sup>4</sup> at the office or from your favorite hotspot.

## Featuring

- Impact and bumps happen. HP 3D DriveGuard helps protect your data when you're on the go by sensing sudden movement and protecting the hard drive.<sup>6</sup>
- Stay focused while protecting your PC from minor accidental spills.
- Always come off looking your best even in low light with an optional HD Webcam.<sup>4</sup>
- Get the connections you need with essential ports and an optional built-in DVD drive.<sup>4</sup>
- Print when you connect to a hotspot or the internet.<sup>7</sup>
- With a user-replaceable battery, you have convenience and easy maintenance.

<b>Security Management</b>	Security lock slot (lock must be purchased separately); HP Fingerprint reader (optional); TPM 1.2 Embedded Security Chip (select models) <sup>14</sup>
<b>Power</b>	45 W Smart AC adapter 4-cell, 41 Whr Li-ion Up to 6 hours and 15 minutes <sup>17</sup>
<b>Dimensions</b>	15.12 x 10.39 x 0.91 in 38.4 x 26.4 x 2.31 cm
<b>Weight</b>	Starting at 5.07 lb Starting at 2.3 kg (Weight will vary by configuration.)
<b>Environmental</b>	Low halogen <sup>15</sup>
<b>Expansion Solutions</b>	HP USB 3.0 Port Replicator (optional)
<b>Warranty</b>	Limited 3-year and 1-year warranty options available; other options available with optional HP Care Pack Services, depending on country; 1-year limited warranty on primary battery; optional HP Care Pack Services, are extended service contracts that go beyond your standard warranties.

## HP 350 G2 Notebook PC

### Accessories and services (not included)

---

#### HP 3005pr USB 3.0 Port Replicator

Everything you need every day, ready with one simple connection. The HP 3005pr USB 3.0 Port Replicator is our ultimate platform-independent hot desking solution. Get online, make up to six of your everyday USB devices immediately available, and expand your productivity with connection to two external displays—all through one USB 3.0 cable.

**Product number: H1L08AA**

---

#### HP Stylish Wireless Keyboard and Mouse

The HP Stylish Wireless Keyboard and Mouse includes a cordless keyboard and mouse and USB wireless receiver in a sleek, modern set that delivers convenience, comfort, and elegance and reduces the tangle and clutter associated with wired peripherals so you can regain valuable workspace.

**Product number: H4B79AA**

---

#### HP External USB DVD/RW Drive

Connect the HP External USB DVD/RW to any available USB port on your PC<sup>1</sup> to get immediate read/write access to your optical media.

**Product number: F2B56AA**

---

#### HP Ultralim Keyed Cable Lock

Designed to fit industry standard lock slot on most HP notebooks

**Product number: H4D73AA**

---

#### HP Essential Top Load Case

The HP Essential Top Load Case is a light and durable notebook carrying case that includes high-density foam cushioning to protect your notebook (up to 15.6 diagonal inches.) while traveling between meetings or in and out of the office.

**Product number: H2W17AA**

## Messaging Footnotes

<sup>1</sup> Not all features are available in all editions or versions of Windows. Systems may require upgraded and/or separately purchased hardware, drivers and/or software to take full advantage of Windows functionality. See <http://www.microsoft.com>.

<sup>2</sup> Multi-Core is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. 64-bit computing system required. Performance will vary depending on your hardware and software configurations. Intel's numbering is not a measurement of higher performance.

<sup>3</sup> TPM is an optional feature only available with 5th generation Intel® Core i3/i5/i7 processors.

<sup>4</sup> Sold separately or as an optional feature.

<sup>5</sup> Wireless access point and Internet service required and sold separately. Availability of public wireless access points limited.

<sup>6</sup> Microsoft Windows Required.

<sup>7</sup> Requires an Internet connection to HP web-enabled printer and HP ePrint account registration (for a list of eligible printers, supported documents and image types and other HP ePrint details, see [www.hp.com/go/businessmobileprinting](http://www.hp.com/go/businessmobileprinting))

## Technical Specifications Footnotes

<sup>1</sup> Not all features are available in all editions or versions of Windows. Systems may require upgraded and/or separately purchased hardware, drivers and/or software to take full advantage of Windows functionality. See <http://www.microsoft.com>.

<sup>2</sup> This system is preinstalled with Windows 7 Professional software and also comes with a license and media for Windows 8.1 Pro software. You may only use one version of the Windows software at a time. Switching between versions will require you to uninstall one version and install the other version. You must back up all data (files, photos, etc.) before uninstalling and installing operating systems to avoid loss of your data.

<sup>3</sup> Multi-Core is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. 64-bit computing system required. Performance will vary depending on your hardware and software configurations. Intel's numbering is not a measurement of higher performance.

<sup>4</sup> Maximized dual-channel performance requires SODIMMs of the same size and speed in both memory slots.

<sup>5</sup> For hard drives, GB = 1 billion bytes. Actual formatted capacity is less. Up to 36 GB (for Windows 8.1) of system disk is reserved for the system recovery software.

<sup>6</sup> Double-layer discs can store more data than single layer discs. However, double-layer discs burned with this drive may not be compatible with many existing single-layer DVD drives and players. Note that DVD-RAM cannot read or write to 2.6 GB single-sided/5.2 GB double-sided – version 1.0 media. Don't copy copy-right protected materials.

<sup>7</sup> WiFi and WiFi combos are optional features. Wireless access point and Internet service required and sold separately. Availability of public wireless access points limited.

<sup>8</sup> Bluetooth™ requires Windows.

<sup>9</sup> HDMI cable sold separately.

<sup>10</sup> HD content required to view HD images.

<sup>12</sup> HP ePrint Requires an internet connection to HP web-enabled printer and HP ePrint account registration (for a list of eligible printers, supported documents and image types and other HP ePrint details, see [www.hp.com/go/businessmobileprinting](http://www.hp.com/go/businessmobileprinting))

<sup>13</sup> HP 3D DriveGuard requires Windows.

<sup>14</sup> Fingerprint reader is an optional feature.

<sup>15</sup> External power supplies, power cords, cables and peripherals are not Low Halogen. Service parts obtained after purchase may not be Low Halogen

<sup>17</sup> Windows 8 MM12 battery life will vary depending on various factors including product model, configuration, loaded applications, features, use, wireless functionality, and power management settings. The maximum capacity of the battery will naturally decrease with time and usage. See [www.bapco.com](http://www.bapco.com) for additional details.
