

SILVERSTONE[®]
Designing Inspiration

PRIMERA SERIES

PM01-RGB

Pioneering computer case with exceptional style and functionality

Includes three 140mm RGB LED fan guards with built-in RGB LED strips for advanced lighting effect
Oversized front panel mesh design inspired by supercar intake grill
Removable filters with positive air pressure design for dust reduction
Built-in dual-mode LED light controller for adjusting colors and modes
Super clean internal look with PSU and drive bay cover
Includes 8 in 1 PWM fan hub for fan control and cable management
Full tempered-glass side panel

Introduction

Primera is the Spanish word for "first" or "first class." Cases in this series are designed for those seeking to build PCs with rich feature set and trend-setting aesthetics.

The PM01-RGB is an incredible computer case that advances the original PM01 design, a case that was among the top performing cases released in 2016. It substitutes single color LEDs with RGB variants and has a full tempered-glass side panel to make PM01-RGB's supercar inspired design feel even more luxurious and dazzling. Besides standard RGB light strips, the case includes SilverStone's exclusive RGB fan guards that can change colors and lighting modes easily via LED control button on the top panel, or by compatible motherboard's software utility. For those looking to get a case that can deliver cooling performance as good as it looks and want deeper personal customization, the PM01-RGB is it!

Specifications

Model No.	SST-PM01B-RGB (black + RGB LED + window) SST-PM01C-RGB (matte black + RGB LED + window) SST-PM01W-RGB (white + RGB LED + window)		
Material	Plastic outer shell, steel body, tempered glass side panel		
Motherboard	ATX (up to 12" x 10.7"), Micro ATX		
Drive Bay	External	--	
	Internal	2.5" or 3.5" x 4, 2.5" x 5	
Cooling System	Front	3 x 120mm / 140mm fan slot (includes 3 x 140mm fan + RGB LED fan guards)	
	Top	3 x 120mm fan slot or 2 x 140mm fan slot	
	Rear	1 x 120mm / 140mm fan slot (includes 1 x 140mm fan)	
Radiator Support	Front	2 x 120mm ; 1 x 240mm / 280mm / 360mm	
	Top	2 x 120mm ; 1 x 240mm / 280mm / 360mm*	
	Rear	1 x 120mm / 140mm	
	Bottom	N/A	
Expansion Slot	7		
Front I/O Port	USB 2.0 x 2, USB 3.0 x 2, Audio x 1, MIC x 1		
Power Supply	Standard PS2 (ATX)		
Expansion Card	Support graphics card up to 16.5" (419mm), width restriction - 6.88" (174mm)		
Limitation of CPU cooler	180mm		
Limitation of PSU	240mm		
Net weight	10.1kg		
Dimension	220mm (W) x 571mm (H) x 560mm (D), 70.3 Liters		
Others	Built-in RGB LED controller**		

* For 280mm radiators and fans, total thickness may not exceed 33mm depending on motherboard component clearance.

** For more details on RGB control, please refer to instruction manual.
