EB-W39

WXGA · 3500 lm · 15,000:1 · 2x HDMI · WiFi® Optional · 320" · 5 W · 28dB ECO
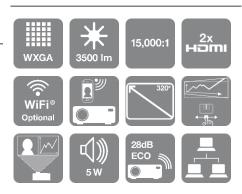

With detailed WXGA resolution and the versatility to be positioned just about anywhere, this durable projector will provide years of service.

The compact, stylish design of the EB-W39 makes it the ideal choice for sharp, legible presentations and vivid video content, especially in roles where portability is key. Long lamp life and trusted Epson durability offer peace of mind and minimal maintenance.

Bright, vivid content on a large scalable screen
Enjoy large scale presentations with crisp, clear text, as well as compelling imagery and video content on screen sizes up to 320 inches. 3,500-lumen performance combines with a high contrast ratio of 15,000:1 to offer outstanding visual performance, even in well-lit rooms.

Years of uninterrupted meetings
With a lamp life and air filter maintenance cycle of 12,000 hours in eco mode, users won't need to worry about maintenance for more than 5 years[1].

Installation and placement flexibility
Automatic vertical and manual horizontal keystone correction provide greater flexibility as to where the projector can be placed in the room for distortion-free images and the wide optical zoom adds to the flexibility.

Network and Wi-Fi capability
Wi-Fi compatibility and network capability (via RJ45) mean the EB-W39 can be added to a company network or upgraded for wireless device access at a later stage (optional accessory required).

High-quality sound
This projector has a built-in 5W speaker to allow audio content to be heard clearly, without the need for additional external speakers.
