

Sleek. Versatile. Manageable. Premier business all-in-one desktops.

OptiPlex 7450 All-in-One

Incomparable performance

Equipped with Intel® 7th generation processors with optional Intel® vPro™ technology for ultimate performance on all of your projects.

Elegant and efficient

Stunning 23.8" Full HD display with optional 4k Ultra HD display and optional ten point multi-touch. Reduce scrolling and drag and drop your way to success.

Design your workspace

Multiple ergonomic stand options providing height adjustment, tilt and swivel or articulation. Work the way that works best for you.

Deploy and manage made easy

One single plug, internal Wi-Fi, webcam and speakers in a tool-less design with removable cover. Your system will remain viable and wire clutter free for years.

Discover professional class desktops at www.dell.com/OptiPlex

1. Offering may vary by region. Some items may be available after product introduction. For complete details, refer to the Technical Guidebook published on www.dell.com.
2. System Memory and Graphics: Significant system memory may be used to support graphics, depending on system memory size and other factors.
3. 4GB or Greater System Memory Capability: A 64-bit operating system is required to support 4GB or more of system memory.
4. Particular versions of Microsoft Windows may not support the full Bluetooth 4.2 functionality
5. Storage Option: GB means 1 billion bytes and TB equals 1 trillion bytes; actual capacity varies with preloaded material and operating environment and will be less.
6. TPM is available in selected regions.
7. Absolute™ Data & Device Security: An Absolute™ offer. Some conditions apply. Terms and Conditions at www.absolute.com/legal
8. Please refer to www.epeat.net for specific country registration rating and participation.
9. Limited Hardware Warranty: For copy of Ltd Hardware Warranty, write Dell USA LP, Attn: Warranties, One Dell Way, Round Rock, TX 78682 or see www.dell.com/warranty.
10. Onsite Service after Remote Diagnosis: Remote Diagnosis is determination by online/phone technician of cause of issue; may involve customer access to inside of system and multiple or extended sessions. If issue is covered by Limited Hardware Warranty (www.dell.com/warranty) and not resolved remotely, technician and/or part will be dispatched, usually within 1 business day following completion of Remote Diagnosis. Availability varies. Other conditions apply.
11. Dell Services: Availability and terms of Dell Services vary by region. For more information, visit www.dell.com/servicedescriptions.
12. For complete listing of declarations and certifications, refer to the Dell Regulatory and Environmental Datasheet found in the Manuals section of Product Support information
13. www.dell.com/support/home/us/en/19.
