Enjoy the View

DELL 24 MONITOR | SE2419H

This thin-bezel, 23.8" monitor with a compact base maximizes screen estate as well as desk space, so you can focus on your photos, videos and files.

Brilliant from every angle

No matter where you sit, colors stay accurate and consistent across the wide 178°/178° viewing angle thanks to In-plane switching technology.

Design that shines

Elegant touches: The thin bezels offer a sleek, modern look that complements any space.

Compact and solid: The stand is now 30% smaller*, freeing up desk space without compromising sturdiness. A built-in power supply unit further reduces desk clutter.

Choose your view: Easily tilt the monitor to get just the ideal viewing angle.

Easy on the eyes

Increase viewing comfort: Protect your eyes by minimizing harmful blue light with Dell's ComfortView feature.

Reduce eye fatigue: Optimize eye comfort and minimize distractions thanks to a flicker-free, anti-glare screen.

Simplify your screen: Stay organized between applications, emails and windows on one screen using Dell Easy Arrange.

Comes with Dell's high reliability promise

As the No.1 monitor brand worldwide** we take pride in our unyielding commitment to quality and the utmost satisfaction of our customers.

Minimize downtime with Dell's Advanced Exchange Service.[2]
